LIONS CAMP DORSET PRESIDENT'S UPDATE **FALL 2014**

The Dialysis season is now completed for 2014 and work is already under way to plan and schedule for the 2015 season. Thanks to the Camp Staff, Dialysis Nurses and all the volunteers who helped make this another successful dialysis season.

Camp Staff, Lions Work Parties with support from the Beaver Creek Correctional Facility will be busy doing the fall maintenance in preparation for winter.

The major reconstruction of the Wasaga Beach Cabin is now well under way thanks to the financial commitment of the Wasaga Beach Lions for this project and will be ready for occupancy in the spring of 2015.

The pool has been a major concern this past spring and summer and has had major repairs. More repairs will be done over the winter as time permits.

The outdoor mini golf and shuffle board will hopefully be done this fall if the weather cooperates and winter doesn't settle in early as it did last year.

The annual review of our facilities will soon be started and a report will be sent to the sponsors of the cottages and units.

Thank you to the Lions Family for the continuing financial support provided to Lions Camp Dorset. Without this support we could not provide the excellent facilities for the patients and their families.

Work parties are always welcome, other than the 12 weeks of Dialysis season. Please contact Steve Woolman, Camp Manager steve woolman@xplornet.ca or 705-766-2780 for information.

The Board of Directors currently has a vacancy and interested Lions can send their letter of interest and a brief resume to me at mariette.desjardine@gmail.com or by mail to 470 Petersen Ave. Strathroy, On N7G4L5.

Lion Mariette Desjardine
President,
Camp Dorset Corporation
